

Public Involvement Outreach Plan Tracy, MN

As part of its Environmental Review process, the Section of Environmental Analysis (SEA) prepared the following outreach plan in an effort to reach low-income and minority populations potentially affected by proposed increases in train traffic on the Dakota Minnesota & Eastern Railroad line through the City of Tracy, MN.

The purpose of SEA's outreach effort is to ensure that the Final Environmental Impact Statement (Final EIS), public notices, and project information are disseminated to effectively reach the area's population.

Description of the Area

The potentially affected community includes low-income and minority populations. SEA is contacting media outlets, local organizations, libraries, city and elected officials in the City of Tracy as part of its environmental justice outreach.

Information Distribution

Draft EIS and Final EIS Repositories

Libraries: SEA is sending copies of the Draft EIS and Final EIS to libraries located in the City of Tracy, MN. SEA is targeting libraries in the general area of the identified impact(s) to ensure that the Draft EIS and Final EIS are accessible to all members of the community. Copies of the Draft EIS and Final EIS are being placed in a reference or other appropriate section.

- Tracy Public Library 117 Third St., Tracy, MN 56175
